

# SOUTH AFRICAN MEDICAL STUDENT UNION

## TOGETHER WE HEAL. TOGETHER WE THRIVE.

### SAMSU OFFICIAL LAUNCH AND MEMBERSHIP RECRUITMENT DRIVE

To : All SAMSU members and Medical Students in South Africa  
From : South African Medical Students Union (SAMSU)  
Date : Friday, 28 June 2024

---

Fellow medical students,

Please take note of a historic turn of events that will be defined by the Official Launch of the South African Medical Students Union (SAMSU), which is a glorious movement that unites and represent medical students across the country, supports academic excellence and prolonged quality of health, and prepares the future of the next generation of doctors. SAMSU will hosts its official launch under the following details:

Date : Saturday, 03 August 2024  
Venue : Sefako Makgatho Health Science University  
Time : 08h30 – 16h30

The national leadership team (NLT) of SAMSU is working on ensuring that all systems are ready in preparations for the launch. As thus, SAMSU national marketing manager, has been deployed as the team leader of the organizing team which will consist of all SAMSU branch chairpersons and a few members of the NLT.

The task of branch chairpersons in preparation for the launch starts immediately with embarking on a massive recruitment drive of medical students who have not yet joined SAMSU. We call on all members of SAMSU to engage in this important stage of preparation to ensure that most of our students join SAMSU before the launch. The recruitment drive will be including the use of social media, door-to-door (campus based) and many other gatherings as the national leadership of SAMSU led by the president will be visiting SMU, WITS, UP, UKZN, WSU, NMU, UCT, Stellenbosch university and UL to solidify the branches. We appreciate the welcoming spirit given to SAMSU by medical students in our country.

Yours sincerely

President  
Thato Masekoa

Secretary General  
Ambrose Lekalakala
